START SMALL AND GROW BIG!

Joining Poolwerx as one of our Franchise Partners represents an exciting career opportunity.

With a proven business model and successful track record throughout Australia, New Zealand and the United States of America, Poolwerx offers partners a range of franchise opportunities. These include converting your existing service vehicle or retail pool and spa business to join the Poolwerx brand, opening a new service route or retail store or buying an existing Poolwerx franchise. No matter which option you choose to take advantage of, you'll be supported every step of the way by the Poolwerx team.

The Poolwerx model uniquely offers many ever-increasing income streams. These include retail sales, domestic and commercial pool servicing, spa and lifestyle product sales, and pool renovation. The mix of both retail and service, chemicals, equipment and labour sales provides great balance in the business.

Our global size enables us to choose and partner with the best suppliers in the global pool industry. By best we mean strong profit margins, education and technical support, promotional support, local in-field back-up, unique extended warranties and innovative products.

This is an exciting career opportunity where you can be your own boss and enjoy a balance of independence and support from a larger group. Join Poolwerx as one of our Franchise Partners.

History

Founded in Australia in 1992 by CEO John OBrien, the Poolwerx business and brand quickly grew to become the largest pool and hot tub/spa maintenance network in Australia and New Zealand, winning numerous awards and accolades along the way.

Awards

Poolwerx has won multiple awards including Australian Best Franchisee 3 times*, Best Franchise System 2 times*, Best Field Manager*, Best Pool Store and Best Pool Technician. And Globally ranked #35 Top Global Franchise. FANZ Home Service Franchise of the Yr NZ 3 x winner.

Business Resources

Marketing support

The team of in-house experts focuses on national and regional marketing strategies integrated across TV, pay-per-click and digital media to build brand awareness and generate business leads. On a local level, we work with Franchise Partners from day one to build a sustainable local client base.

Training Provided

Poolwerx has effective systems and programs in place to support franchise partners.

New Franchise partners will attend their Pool School at our Brisbane, fully-equipped training centre with state-of-the-art training facilities.

In addition, franchise partners can benefit from an industry-first Complete Business Operating System that provides a total technology solution enabling Franchise Partners to run their business efficiently including retail transactions, water testing software, accounting and much more.

Skills

Poolwerx is looking for a happy and enthusiastic person who has a sound knowledge of the industry and is self-motivated. The ideal franchisee is passionate about Poolwerx and the business opportunity. They should have excellent communication skills and the ability to delegate and solve problems. Candidates should have a business understanding and be able to use their initiative. Franchise partners should be compliant and willing to follow processes. Additionally, they should be resilient and driven. They must believe in the company's values.
