

Electric Scooter & Minibikes Sales & Service Franchise for Sale NZ Wide

Looking for a family business?

Turn your mechanical ability and work ethic into a lucrative business the whole family can get involved in. Our franchise model is like no other! **Low Capital investment equals fast returns** in this hugely popular minibike and scooter retail model.

As an Iconic Minibikes and Scooters Franchise Partner, you will have access to an exclusive range of products and brands trusted by professionals and families.

We are focused on your success! Head Office provides NZ-Based warehousing and distribution with a fast turnaround, so you won't need to tie up excessive capital in stock. This allows you to focus on driving sales and growing your business.

You'll have a strong point of difference in the market; our carefully curated selection ensures that there is something to suit all ages, riding abilities, and budgets, allowing you to tap into a wide market hungry for adventure.
