Wellington Fast Food Franchise \$280k Profit!

Central Wellington Franchise Fast Food Winner!

What a fantastic opportunity for a new owner. The location couldn't be better right in the bustling heart of Wellington CBD.

This is a well-established fast food franchise operation that is currently **fully managed**. The franchise company is highly experienced, and you can be sure of fantastic systems, excellent training and support, and the use of the very latest technology to make the operation as efficient and customer friendly as possible. The menu is great and an absolute crowd-pleaser!

As a franchisee you will have access to great tools to run your business and have access both the Head Office and to the Regional Operations Manager. **This is a company that wants you to succeed!**

Sales are around **\$24,000 per week** and an owner operator would **make over \$280,000 a year** on current trading. Bear in mind, however, that this is a managed store. With a dynamic owner-operator at the helm, costs would be better controlled, and an even greater bottom line can be realised. Even as a managed business you could earn around **\$220,000 and that's a 27% return** on your money!
