

Home Renovation Franchise for Sale Area's Available NZ Wide

Home renovation business where you manage the outcomes and do not do the renovation work.

This is a low-risk business opportunity with excellent earning and growth potential.

Home renovation is a multi-billion dollar industry, and All About Kitchens and Bathrooms provides renovation services in the medium to high-end of the market specialising in kitchens and bathrooms.

Our business model removes a lot of business risk, you can work from home, and you do not require staff to become successful. You can grow your business at minimal cost.

If you are looking for a business which has excellent income potential, and where you can develop a valuable asset, then this may be for you.

This is a franchise opportunity, but unlike most franchise operations, the franchise fees are low, and you enjoy business flexibility, making this opportunity even more attractive.

If you have a passion for home renovations, with some knowledge or experience, and you are looking for an opportunity, then we would love to discuss this business with you.

We have many areas available throughout New Zealand.

With AAKB you will have a recipe for success that includes business mentoring, planning, and general support.

Should you like to know more, let us know and we will provide an Information Pack.
