

Electric Bike Retail Business Opportunity for Sale Taupo

Long term growth industry promoting healthy and sustainable lifestyles, with established brand, network and low buy-in costs.

Electrify NZ are the only New Zealand's only nationwide specialist electric bike retailer with ten locations around New Zealand. Our bike brands are among the best in their segments, and we aim to improve the lives of our customers, whether they need an e-bike for commuting, or for enjoying the many recreational opportunities New Zealand offers.

An opportunity exists to take on a new license in Taupo.

Business Resources

Floor stock from the franchisor's four distributed brands - KTM, Gepida, Smartmotion and Black is supplied as part of the license. Franchisor invests significantly in marketing to drive customers in-store, and one-on-one support, both during setup and ongoing is provided.
