extremely successful international Kip McGrath  
Franchise that could be yours!

**Do want to get out of the classroom but love teaching?** Kip McGrath, is a wonderful tutoring business based in Nelson covering both Nelson and Tasman regions. All enthusiastic teachers (previous or current), wanting to reconnect with the fun of teaching and get that deep satisfaction in seeing the progress and increased confidence of their learners, then this business could suit you down to the ground.

**This is a thriving and profitable business within the extremely successful international Kip McGrath Franchise.**

The business has a well-earned reputation for building student confidence and achievement. Goodwill is credited to open and honest feedback, regular updates on student progress, targeted teaching, and carefully thought-out personalised learning plans.

Kip McGrath Education Centre, Nelson, NZ is conveniently located in the Nelson CBD. Central to several schools and a magnet tutoring center for students further afield in Stoke, Mapua, Motueka and Takaka. Fantastic opportunity to expand with a satellite site in the Richmond area. With a growing regional population, the potential for continued growth is inevitable.

Currently, there is a solid customer base of primary students with a predictable roll growth midyear as college students take advantage of the specialist Secondary tuition available and Intermediate students fill any gaps in their learning before going to college.
