

Education Tuition Franchise for Sale Takapuna

Highly successful and profitable tuition centre with 450+ students in affluent area with potential to grow.

Numberworks'nWords is NZ's largest after-school tuition organisation. Teaching children from years 1-11 in Maths and English. Founded in NZ, resources are based on the NZ curriculum. There are 30 centres around NZ and another 40 spread between Australia and the UK.

Takapuna is currently the largest centre in NZ delivering over 450 face to face lessons p.w. With support from a franchisor with 40 years experience, coupled with the potential to extend hours and reach relatively 'unworked' areas in the territory, this represents an exciting opportunity to own an iconic business in beautiful Takapuna.

Current owners have been in place for 21 years.
