

Supermarket Franchise for Sale Otago

Central Otago full-service supermarket hugely popular with locals and tourists. Established franchise. Growing area and population base.

Requires an owner(s) operator to work in the business alongside a well-established management team. Preferable to have supermarket industry experience, and advantageous to have strong business, people management, and financial acumen. May suit couple/business partnership who are looking for a lifestyle move and investment with continued growth potential for the future.

Supermarkets are very dependent on reputation and customer loyalty. This supermarket is highly regarded for its quality and diverse product range, including specialty foods to cater for peoples food choices, food allergies and intolerances. Whilst utilising the incredible bounty available in the Central Otago region, ensuring that produce and other products are market fresh.

This is a well-known brand with excellent franchisor support.

High profile site with convenient parking.
