

Pizza & Pasta Restaurant Franchise for Sale Auckland

Pizza & Pasta Franchise Restaurant. \$48k PW.

Rare opportunity to acquire one of these. First time to market for 16 years!!

This restaurant is an absolute institution, and it has been absolutely humming on this prime Parnell corner site for 22 years. The current owners have been here for 16 of those years that's how much they have loved owning it!

The sales are deeply impressive and average around \$48,500 per week (inc GST) or \$2.5m per annum. Most of the sale are dine-in, of course, but around \$14k per week is ordered through Uber and other delivery channels.

There is seating here for 120 people and an impressive liquor license from 8am to 2am!

This is a **fully managed operation**. The owners do not work in the business at all. If you kept it like that, you could look forward to a Return on Investment of around 21% and, remember, this is one **stable** business! There is around \$250,000 here as a surplus to a working owner.

FY24 Accounts show an EBITDA of \$220k and a surplus of \$310k. It is expected that the business, like most hospitality outlets, will return to these levels as we move through into 2025.

The Franchise company is great to work with and there will be strong training and support.

- Real opportunity for growth

Whats not to love about this opportunity? Its pizza & pasta and its **really busy** and **profitable!** Theres real opportunity to do more here as the owners are rarely involved. You could open for breakfast, but the real opportunity is in **catering and functions** with that LATE liquor license.

This is a business that should attract a lot of attention so do not miss out!

Asking \$769,000 plus stock
