Step into a well-established and business, with the support of one of New Zealand's leading franchise systems.

Guthrie Bowron Feilding is a beautifully presented franchise with a modern store, relocated to new premises in 2019. Extensive investments have been made in plant, equipment, and creating a stunning store ambiance, delivering an exceptional retail and customer experience.

Why Choose Guthrie Bowron Feilding?

- **No Industry Experience Needed:** Industry-leading training provided by Guthrie Bowron's support office and a highly experienced in-store team ensures you can confidently operate this business.
- **Strong Market Position:** With limited local competition and a large customer base, the business offers excellent growth opportunities.
- **Expansion Potential:** Develop relationships with local home builders, grow the trade paint category, and continue enhancing the decorative and homewares side of the business.

The current franchisee, who has owned the business since 2014, has decided it's time to retire, presenting an exciting opportunity for an enthusiastic new owner to take the reins and build on an already impressive foundation.

Whether you're looking for a career change or your first step into business ownership, Guthrie Bowron Feilding offers a rewarding opportunity to be your own boss while benefiting from the support of a trusted national brand.
