

Freight, Logistics & Parcel Franchise for Sale New Plymouth

Become the local Freight & Logistics Expert with Global reach in New Plymouth

PACK & SEND New Plymouth offers a range of services related to shipping and logistics. Specialising in packing, sending, and receiving parcels, both locally and internationally. PACK & SEND New Plymouth services are tailored to businesses, individuals, and e-commerce sellers. The Service Centre provides expert packing solutions to ensure items are protected during transit, whether by air, sea, or road.

No experience in business or the freight, logistics & parcel industry is required.

Our franchise system is built for go-getters!

If you are a creative problem solver who goes the extra mile, if you understand the importance of providing quality customer service and if you love to close sales and develop business relationships, our 'No Limits' culture and proven business model is for you! Complementing your skills in sales, business development, account management, and customer service.

Business Resources
