Own a thriving commercial exterior cleaning and maintenance business located in the heart of Tauranga and servicing an area from Wahi Beach to Whakatane. With a turnover of over \$660K and EBITDA of circa \$140K, It has been owned and run by the franchisor since 2022 and is one of ten successful franchise regions currently operating. This offers all the advantages of being in a successful well-run franchise including

- back-end development and support
- Central marketing
- Significantly lower cost of materials, uniforms, and equipment due to group buying
- Highly systemised operation with comprehensive documentation
- Well-trained staff and staff training support
- Support with work-safe compliance,
- Recruitment support,
- The ability to work with other franchisees to qualify for national contracts,
- Ongoing technical support and access to the latest product and process developments
- Lead generation,
- Preferred option when it comes to financing

Continuity presence of existing ownership eliminates the risk of customer loss. There are little to no restrictions on the sale of the business should you wish to sell at a later date. Client Base The client base is around 50% commercial which means the average job is valued much higher than businesses in the residential sector. Furthermore, this also means that workflow is more stable and predictable as commercial work is almost 100% repeat business as the service is a necessity scheduled on a regular repeat basis rather than an option that can be delayed or deferred.

The team consists of 1 x Branch Manager (\$75K per annum) and Three (3) water blasting technicians who have access to 4 vehicles and a full complement of equipment. The current structure means that it is completely self-managed and the current owner purely oversees and monitors the business. This can largely be conducted remotely. There is an opportunity to assume the Branch Management and/or Admin Function along with the
